**Wishing you a Happy Pesach!**

*For some inexplicable reason, the Jewish Holidays are either early or late every year. They are never on time! Passover arrives late this year, 3 weeks after the start of the Baltimore Orioles home opener. Since 1915, Attman's Delicatessen has served you 365 (366 this year) days a year, through rain, sleet, snow, hail, blood, frogs, boils, vermin and locusts. So if you don't have time to prepare your matzo ball soup because you were living at Orioles Park, we are just a phone call away. As in the past, everything is prepared fresh and on premises and still backed by our 100% satisfaction guarantee. We look forward to making your holiday effortless and extend our sincere wishes for a Happy Passover!*
